**NOTICE OF APPEAL AND CONDITIONAL PETITION AND FEE FOR
EXTENSION OF TIME UNDER 37 C.F.R. § 1.136(a)**

Sir:

In response to the Office Action dated **October 30, 2003**, the Applicant files the
Notice of Appeal and Conditional Petition and Fee For Extension of Time.

After Applicant timely filed a response to the Office Action on January 29, 2004, by
courier, Applicant contacted Examiner Cruz on numerous occasions (i.e., regarding the Status
of the Response, including faxing a copy of the January Response and date-stamped postcard
to the Examiner on February 23, 2004). It is noted that the January 29, 2004, response
included a Submission of Verified Translation to overcome all of the outstanding prior art
rejections.

In a recent interview Summary of March 22, 2004, Supervisory Examiner Adams and
Examiner Cruz expressly indicated that they were still waiting for the previously filed
Response to be scanned pursuant to the implementation of the USPTO's Image File Wrapper
System. Per Supervisor Adam's instructions, on April 15, 2004, Applicant recently re-
submitted the Response along with the Verified English Translation of the Priority Document
and a copy of the Attorney's Post Card Filing Receipt, date stamped at the USPTO on January

29, 2004. (See Enclosure).

Subsequent to the filing, Applicant contacted Supervisor Adams and Examiner Cruz on April 26, 2004, where the Examiners expressly indicated that they still have not received the Response, which apparently is still being scanned.

Applicant unsuccessfully tried today, April 30, 2004, to reach Supervisor Adams and Examiner Cruz. Accordingly, as indicated above, Applicant respectfully files the Notice of Appeal and the Conditional Petition and Fee For Extension of Time to prevent the Application from being abandoned.

Thus, Applicant has included a check of \$330.00 for the Notice of Appeal but respectfully requests that the Applicant not be charged the Fee for Extension of Time of \$950.00 as the timely filed Response is still being scanned at the USPTO, and the delay in obtaining the Examiner's reply (e.g., an Advisory Action or Notice of Allowance) and necessity for extension are due to the USPTO's delay.

But for the USPTO's delay in providing the file to the Examiner, no extension fee would have been required as all the outstanding rejections were overcome by filing the January 29, 2004, Response and Submission of Verified Translation. Nonetheless, Conditional Petition for Extension of Time is hereby made, and the Commissioner is authorized to charge any deficiencies in fees and credit any overpayment of fees to Attorney's
